Music Producer/Songwriter/Singer/Video Producer

Career Objective:

- I am a Romanian producer, composer and singer, famous in Eastern and Central Europe. I write and produce music, mainly radio friendly, in all styles and genres, but especially pop, r'n'b and club music.
- I am now looking to expand my horizons on a worldwide level.

Professional experience:

- In 1997, when 16 years of age, i had several No.1s hits on local radios and created an entire small scaled music industry in my home town: 11 artists performing around the country, playing on local radios, all working with me as their producer.
- In 1999, when 18, i was the youngest songwriter/producer to have sold Platinum with a dance album, that gave 3 number ones with boybands rocking charts locally and even across Europe, with Akcent (signed with Roton, Romania).
- At the start of 2001, I became a member and member on the board of directors of UCMR-ADA (Union of Composers and Musicologists of Romania-Copyright Association) as composer and text writer and as of 2004 a member of CREDIDAM (Romanian Center for Performing Artists Rights Management) as an interpreter and artist.
- In 2003 I have built my own recording studios in Bucharest, Romania. From just a simple name, I became a nationally acclaimed Brand. I'm working with 70% of the biggest names in the Romanian show-biz.
- One of my main project (as a manager, producer, composer, singer and video director all together) is the 'record-breaking-sensation' band, Morandi, a fresh project I built up with Andrei Ropcea in 2004 .

Professional experience:

- I did various productions and remixes for international artists such as Lumidee, Hilary Duff, Infernal, RBD and also wrote songs for numerous Greek, Bulgarian and Russian artists. O-Zone's no. 1 international hit "Dragostea din tei" ("The Numa-Numa song") was produced in Moga's Bucharest studio.
- My record includes achievements such as: 12 gold and platinum discs all together; 5 MTV awards: 2X Best Video, Best Producer, Best Album, Best Romanian Song at the 2008 EMA's in Liverpool.
- I've placed songs on movie soundtracks for Tony Scott's "Domino" (starring Keira Knightley and Mickey Rourke), Simon Fellows' "7 seconds" (starring Wesley Snipes) and two other Romanian films, one of which was selected for a movie festival in Berlin.
- I also wrote scoring for television series like "One step ahead", "Daria, my love", "Rich Man - Poor Man", produced by Media Pro Pictures for CME. I have worked with director Anthony Hickox on the series "Shoot me!" and I have written music for the Fashion TV Channel.
- The band has released 3 successful albums so far, one of which internationally. All the Morandi singles peaked at no. 1 in Russia, Poland, The Czech Republic, Slovakia, Bulgaria, Ukraine and were played in heavy rotation in Egypt, Kazakhstan, Azerbaijan, Spain, Turkey, Italy, Greece etc.

Professional experience:

- Videos directed by:
 - ✓ Morandi: "*Angels (Love is the answer)*"
 - ✓ Morandi: "*Colors*"
 - ✓ Morandi: "*Afrika*"
 - ✓ Dalma: "*Love me sweet*"
 - ✓ Wassabi: "*Don't go baby*"
 - ✓ Simplu: "*Oficial imi merge bine*"
- In 2011 I started signing artists & writers on my management and publishing companies-Demoga Music Publishing .
- Also, in fall 2011 I was in the jury and a coach at "The Voice of Romania", on PRO TV, Romania's biggest TV station. This show had the most viewers out of all romanian TV programmes, with every broadcast.
- Now I own a studio in L.A., CA as well, set up along with Matt Nelson (the Nelson Brothers) and working to produce pop and urban tracks for upcoming artists.
- I'm currently working on projects with Universal Island UK and Sony BMG and collaborating with A&Rs like Matt Jagger and Wolfgang Boss regarding new artists to be released soon, best fitting need for fresh tracks with hit-like flavour.

Professional experience:

- Morandi's third album, "N3XT", went 5 times platinum in Russia due to phenomenal sales.
- Our hit "Angels (Love is the answer)" is the most downloaded digital product of all times in Russia and Ukraine. The single totalized 554,975 plays on 122 radio stations from 413 Russian cities.
- The group Morandi had over 100 international concerts in countries including: UK, Russia, Spain, Italy, Greece, Serbia, Turkey, Ukraine, Bulgaria, Kazakhstan and The Baltic Countries. Morandi has received many awards in recognition of their international success, such as: Best Romanian Act at the Liverpool EMA's and the Best International Hit Award at the Eska .
- Awards in Poland, where Morandi performed as special guests together with The Pussycat Dolls, Rihanna, Lady Gaga, Akon and Ne-Yo.
- Morandi's 4th studio album, "Zebra", will be released this year. Zebra is an album about contrasts, rendered to the greatest extent by merging clubbing music with fusion brit pop.
- Besides Music, I also directed 7 music videos. This 'hobby' won me 3 Best Video Awards! So far, I have worked with local, Indian and UK DoPs and producers.

Education:

- **University “1 Decembrie 1918”, Alba Iulia 2011**

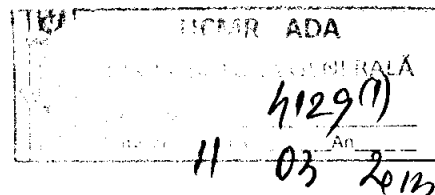

Bachelor in Sociology, in the field of Sociopsychopedagogy, major in Sociology.

Referees:

Here's what other people I've worked with have to say:

- *“Marius is one of the most talented songwriters and producers of Eastern Europe and with the right set-up his work will surely cross over to western Europe very soon.”* (Wolfgang Boss)
- *“Marius Moga is the greatest pop cultural talent to come out of Central and Eastern Europe, ever!* (Alexander Bard, co-founder Stockholm Records, artist and producer - Army Of Lovers, Alcazar, Vacuum, BWO, Gravitonas)
- *“There is going to be a global hitmaker out of Eastern Europe in the next 5 years and I’m pretty sure it’s going to be Marius Moga!*
In fact I felt that as soon as i met him and I had signed Morandi to Universal . He is everything right now what the Swedish guys were in the mid 90’s.” (Matt Jagger)

Catre UCMR-ADA,

Prin prezenta, subsemnatul Moga Marius Ioan,

, in calitate de membru al UCMR-ADA, imi exprim dorinta de a face parte din Consiliul Director in cadrul Adunarii Generale Ordinare din 21/22.03.2013 cu un proiect muzical ambitios.

Prin acest proiect muzical doresc sa aduc cat mai multi compozitori si producatori muzicali romani si internationali in vizite de lucru si tabere de songwriting .

Compunand in ultima vreme in mai toate capitalele muzicii, am observat ca hitmakerii din U.S. si U.K. sunt intrigati de compozitorii romani si ar raspunde pozitiv unei invitatii. Prin intermediul acestui proiect muzical putem organiza diferite tabere de-a lungul anului in care sa avem compozitori internationali si romani, scriind poate urmatoarele hituri mondiale impreuna.

Eu, personal, cred ca modul cel mai rapid de a progresa ca si compozitor e sa inveti mereu lucruri noi de la altii.

Consider ca este timpul sa impartim talentul romanesc cu lumea intreaga, iar acest lucru poate fi realizat cu ajutorul UCMR-ADA si al sponsorilor.

Va multumesc anticipat!

Moga Marius Ioan
